Schools Close Tuesday for a Month

The city schools closed Tuesday for the holidays and would have reopened again Jan. 2d but for the scarcity of fuel. The city council and manager thought best to make the postponement to the 15th and extend school that much longer in the spring. It may be found imperative to not resume studies until Feb. 1st or 15th on account of the shortage of coal. However the school term will be finished, even if it has to run into June.

THIS ISSUE

comes to you a little earlier in the week and the issue for next week will reach you several days earlier. This is done on account of the holiday season and to avoid working Christmas day and the day following--in other words to give us a little rest.

Means Given His Liberty

As about everybody predicted, Gaston Means was freed of the murder of Mrs. Maude King, by a Cabarrus county jury, Sunday morning. New York authorities say they will bring Means to that State to stand trial for embezzlement and forgery, that it does not require requisition papers to get him on such a charge.

CHRISTMAS CLUB DEVELOPS THE SAVING HABIT

Home Banking Co. Offers This Most Popular Form of Savings--Ever Alert to the Best Interests of This Community Offers This Popular Form of Savings for 1918.

The popularity and success of its Christmas Club has been phenomenal. This Club gives everybody a chance to save regularly, for the bank is willing to accept small amounts. Even boys and girls are invited to become members, for it is a well-known fact that the saving habit needs to be fostered in this country. Once the youthful mind realizes how really easy it is to save and how pleasant it is to have money in bank, the saving habit will become a life long.

A large number of people, whether their incomes are large or small, find it difficult to "get ahead" financially. They postpone the time when they will start saving to provide for the rainy day because they never seem to have enough spare money to start a bank account. The Christmas Club is a great benefit to the people in this way, for they don't need any more capital to get started than the first small payment, and, after all, the start is the important thing.

Although the first Club payment is due December 24, members may join before that time by paying in advance. The Club runs fifty weeks, so that each member will receive a check in time for Christmas shopping. When payments are made regularly the bank allows interest on the account, which is always an encouragement to saving.

A number of plans are offered and members may select one or more of them. In the uniform classes one may pay 25c, 50c, \$1.00 or \$2.00 weekly, the totals amounting respectively to \$12.50, \$25.00, \$50.00 and \$100.00. Another way is what is known as the progressive class, in which the payment increases every week. One of these classes starts at 2c, next week 4c, and so on. The 2c progressive Club matures at \$25.50. Then there is a 5c progressive Club maturing at \$63.75. These progressive Clubs may be reversed, starting at the highest amount first and finishing with the lowest. The 5c reducing class starts at \$2.50 and works down to 5c, while the 2c starts at \$1.00 and comes down to 2c as the last payment.

Ordinary books are not needed in carrying Christmas Club accounts. Home Banking Co. is using a patented card system, in which the record of payment is made by punching cards. This not only gives the depositor a receipt, but also shows exactly how much has been paid in to date, and does away with any possibility of error.

This attractive method of saving has proven most popular. adv.

An editor has a heart the same as other people and just as sensitive to kindness or unkindness as the average mortal. So please remember this.

Automobile Catches on Fire

Sunday night about 8:30 o'clock the closed Ford car of Dr. W. H. McCain caught on fire and the top and frame work was badly damaged before the flames were subdued. The car was in the barn where two other automobiles were. A negro chauffeur saw the blaze and with snow and rubbish put the blaze out before it reached the gasoline tank. The loss is about 100.

"WORTH THE PRICE OF A YEAR"

Said a subscriber to the editor, "Your Christmas number last week was worth the price of a whole year. It brought happiness to the little ones at our home and afforded much pleasure to the older members. Here's \$1.50 for another year, and keep on sending it." That's what we call smoothing over the rough places in life. Thanks.

Killed Thousands of Rabbits

The recent snow and cold weather has made it possible for the hunters to kill rabbits with little trouble. One man told the editor that he brought 49 to town Friday and that he killed 38 of them with a stick while sitting in their nests. One attempted to run but couldn't make any headway. Another party reported 59 in one day's catch with the help of a boy. The rabbits came from all directions and it is estimated there were 2,000 on the local market Thursday and Friday.

Tuberculosis Retreat Burned

Brooks Hall at Sanatorium was destroyed by fire Sunday morning. All of the patients escaped unhurt and most of the furnishings were removed. The fire will necessitate sending about 30 patients home until more quarters can be provided.

Challenge

by HERMANN HAGEDORN
of the VILIGANTES

America, America, where is your manhood gone?
Who taught your sons to brag and run, who taught
your sons to faint?
Who taught your sons to whine of peace with quaking
coward knees,
And fling in panic to the wolves your hard-won liberties?

America, America, where is your glory fled?
What of the dreams, what of the deeds, what of the
noble dead?
What of the swords that flashed for you, what of the
tongues that spoke?
What of the hearts that bled for you, what of the
hearts that broke?

America, America, remember now your dead!
They cry to you across the night and will not be
gainsaid!

Arm, arm, arise, America! Gird on your sword once more!
The ice is at the harbor-mouth, the ice is on your shore!

Awake, arise, America! What cries are in the air?
Hark, the clear word of Washington! The call of
Lincoln there!

Cleveland and there, John Hancock! There, Adams,
Webster, Clay!

There, Patrick Henry! There, John Brown! There, Jackson,
Lee, John Hay!

Arise, America! Your dead cry out to you, Arise!
Grant, Schuyler, Marshall, Marion! The brave call and
the wise!

Paul Jones, Decatur, Perry! McDonough of Champlain!
Arise, America, and stand! A race of men again!

You were not meant to cower, you were not made to
quail!
You were not set a lamp for men, to flare and gutter
and fail!

By God, we did not give our blood to set your light on
high.
Only to see a craven band slothfully let it die!

No, by the God we honor! To Whom alone we bow!
We did not die for Freedom, then, to let her perish now!

Arm, arm, arise, America! Put by the craven dread!
We come, we come to the colors! We come, the
invincible dead!

Arm, arm, arise. For your dead cannot sleep in the old,
green graves!

Liberty cries, imperiled! And we dead rise up from the
waves!

Muste the strength of the living! Ten to one are we!
Ten ghosts behind each valiant boy who strikes for
Liberty!

Arm, arm, arise, America! Heart of my land, be flamed!
An end of words and barter! An end of sloth and
shame!

Hark, how the old heroic ghosts to deathless deeds
invite!

If you are cowards, perish! But if you are men, then
fight!

A Christmas Gift of Life or Pleasure, Which?

In war countries millions of children are dying of cold and starvation. Won't you contribute what you would spend foolishly on Christmas gifts to these starving children? Suppose one of them were your child. Ten cents will give a starving child one day's life, \$3.00 one month's life and \$35.00 one year's life. Over a half million American boys and girls are working and sacrificing month by month to help; why not you? A donation to the fund means life to the little ones, an exchange of Christmas gifts with your friends only temporary pleasure. Which will you do?

Address your remittance at once to Children of America's Army of Relief, 142 Berkley street, Boston, Mass. God will bless you.

[This advertisement is inserted free as a Christmas gift to the starving children. The organization is thoroughly reliable, having on its board national characters. You need not be afraid to trust your money to them.--Ed. or.]

Draft Eligibles Receive Questionnaires

The new questionnaires under the draft law were received by 174 citizens of High Point Saturday and Monday. Seven days are given in which to answer the required questions and place in the hands of the local exemption board. Failure to properly execute the papers is punishable by not more than a year's imprisonment and an abridgement of other rights. A questionnaire went to every man who registered on June 5th last, excepting those now in the service of Uncle Sam, of course.

Veterans' Checks Ready

A. M. Idol has the checks for all the old vets and he can be found in the Sapp building. These annual pensions, though miserably small, add a little comfort to the followers of Lee and Jackson. They deserve better at the hands of their State and Southland and especially the government which fails to recognize their cause.

Mrs. Carr Passes

One of Trinity's best known and beloved citizens in the person of Mrs. O. W. Carr passed away Saturday afternoon in her 76th year, after an extended illness. Deceased was the wife of the late O. W. Carr and before marriage was Miss Roxanna Leach. Surviving are two daughters, Mrs. Dred Peacock of this city and Mrs. J. C. Pepper of Trinity. Three sons are dead.

Rev. Mr. Johnson conducted the funeral services at Trinity Sunday and interment followed there. Quite a number from this place and Greensboro attended.

Mrs. Carr was a consecrated Christian and since childhood was a member of the Methodist Episcopal church.

National Prohibition in Sight

By a vote of 282 to 128, the national prohibition amendment to the Constitution passed the House Wednesday, with 26 more than needed for the two-thirds majority. There was great rejoicing among the prohibitionists and Congressmen Yates Webb of North Carolina, daddy of the bill, was given the lion's share. The States are given seven years to approve the measure but it is believed that about all of the remaining wet States will do so within two years. The Senate is expected to pass the bill with little opposition.

Noted Methodist Minister Dead

Rev. J. R. Scroggs, well and favorably known here, died suddenly in Marion Monday morning. He was for 50 years prominent in Methodism. On July 4th, 1890, the editor's father died. At that time he was presiding elder of the Greensboro (then Trinity) district. Mr. Scroggs, who was then stationed at Statesville, was named to fill out the year, due to Mr. Stamey's death.

Surviving are one son, Clarence Scroggs, city editor of the Winston-Salem Journal, and two daughters, Miss Stella Scroggs of Marion, and Mrs. W. G. Fortune of Asheville. The remains were interred at Shelby Wednesday.
